Dear Admiral Inman:

I appreciated receiving your comments on the article by John Kiser entitled "Tapping Eastern Block Technology" that appeared in the March-April issue of Harvard Business Review. Given the pressures on your time it was probably presumptuous of me to ask for your attention and certainly generous of you to respond.

Thank you and your associates for taking the time to read and react to this article.

Sincerely yours,

A handwritten signature in cursive script that reads "Kenneth R. Andrews".
